**New students (first year and transfer students) are not permitted to enroll in more than 17 credits in their first semester.**

### CREDIT HOUR OVERLOAD REQUEST

**INSTRUCTIONS:**

- For classes with open seats and do not require instructor permission, please complete all required fields for this form.
- For classes that require instructor permission, please attach the e-mail from the Student Information System confirming that the instructor has granted you permission.
- A class must be open to use this form to add the class.** If you have any questions about available options please reach out to your Association Dean.
- Use one Credit Hour Overload Request form for EACH course that you wish to add above your credit limit.
- Download a copy of your **unofficial transcript** from your SIS account and attach to form. Transcript **must include** grades for the semester preceding the semester for which the overload is requested along with your current semester enrollment.

**My Association Dean is:**

If you are unsure of who your Association Dean is, please log in to the UVA eAdvising system ( ). If your Association Dean is not listed at the top of the page, please click on the Advising tab to the left and your Association Dean should be listed at the top of the page. **If you select the wrong dean your form may be delayed or not processed.**

**Academic Year:**

**Major:** \_\_\_\_\_ In BA/MT program?

**To assist your Association Dean in evaluating your request, please check if you have:**

- a cumulative GPA of 3.0 or higher;
- earned a minimum GPA of 3.0 in the previous semester;
- passed at least 15 credits in the previous semester, or \_\_\_\_\_ studied abroad previous semester;
- completed at least one full-time fall or spring semester of course work at U.Va.

*If you do not meet all of the above criteria, please schedule a meeting to meet with your Association Dean.*

**NOTE:**

If the course is not open at the time the form is processed or if the required permissions are not attached your request will not be processed and will be voided. You may resubmit your request after asking the instructor to grant you an Ad Hoc permission to enroll and/or receiving instructor permission, and attaching the email(s) which confirm(s) that the instructor has granted you permission(s) to enroll in the course.

You will not be added to your requested course/s if doing so will cause the course enrollment to exceed the room capacity of the assigned room. Course enrollment cannot exceed room capacity. THERE ARE NO EXCEPTIONS.

Please check your SIS Student Center regularly to see if the requested course has been added to your schedule. If you are not enrolled after four working days, it is very likely that we were unable to enroll you. You will be notified as soon as possible of the outcome of your request, but due to the volume of requests we are unable to notify you immediately or to respond to queries about the status of any individual request.

To avoid delays and challenges in finalizing your schedule, request an open course or courses if possible.

**1. Request and reason for overload:**

**2. Current total credit hours enrolled in:** \_\_\_\_\_ credit hours. **Total credit hours requesting to be enrolled in:** \_\_\_\_\_ credit hours.
